Stealers wheel - Stuck in the middle

Na 5 chucks D-akkoord:

Well I don't know why I came here tonight.
I've got the feeling that something ain't right.
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down the stairs.

Refrein:

Clowns to the left of me!
Jokers to the right!
Here I am stuck in the middle with you.

Yes I'm stuck in the middle with you,
And I'm wondering what it is I should do.
It's so hard to keep this smile from my face.
Losing control and running all over the place.

Refrein:

Clowns to the left of me!
Jokers to the right!
Here I am stuck in the middle with you.

Bridge:

Well you started out with nothing
And you're proud that your a self-made man.

And your friends they all come crawling,
Slap you on the back and say

Pleeeeeeeeeease . . .Pleeeeeeeeeease . . .

Trying to make some sense of it all
Cause I can see that it makes no sense at all
It is cool to go to sleep on the floor?
I don't think that I can take it anymore

Refrein:

Clowns to the left of me!
Jokers to the right!
Here I am stuck in the middle with you.
Here I am stuck in the middle with you.

Dolly Parton - Jolene

refrein Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him, just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green
Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you,
Jolene

refrein

He talks about you in his sleep
And there's nothing I can do to keep
From crying when he calls your name,
Jolene

But I can easily understand
How you could easily take my man
But you don't know what he means to me,
Jolene

Refrein

You could have your choice of men
But I could never love again
He's the only one for me,
Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do,
Jolene

refrein Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him, **even though** you can

Bella Ciao

Una mattina mi son svegliato,

O bella ciao bella ciao bella ciao ciao ciao

Una mattina mi son svegliato, eho trovato l'invasor

O partigiano portami via

O bella ciao bella ciao bella ciao ciao ciao

Partigiano portami via, che mi sembra di morir

E se io muoio da partigiano

O bella ciao bella ciao bella ciao ciao ciao

Se io muoio da partigiano, tu mi devi seppellir

seppellire sulla montagna

O bella ciao bella ciao bella ciao ciao ciao

Seppellire sulla montagna, sotto l'ombra di un bel fior

la gente che passerà

O bella ciao bella ciao bella ciao ciao ciao

la gente che passerà, dirà oche bel fior

questo il fiore del partigiano

O bella ciao bella ciao bella ciao ciao ciao

È questo il fiore del partigiano, morto per la libertà

Lazy Song--Bruno Mars

Today I don't feel like doing anything

I just wanna lay in my bed

Don't feel like picking up my phone

Just leave a message at the tone

Cuz today I don't feel like doing anything

nothing at all

Whoo ooo ooo whoo ooo ooh

whoo ooo ooo oo oo oo oo

I'm gonna kick my feet up,

then stare at the fan

Turn the TV on, throw my hands in my pants

Nobody's gon' tell me I can't oooooh

I'll be lounging on the couch, just chillin' in my snuggie

Click to MTV so they can teach me how to Dougie

Cuz in my castle I'm the freakin' man

Ooooh, yes I said it, I said it, I said it cuz I

can!

Today I don't feel like doing anything

I just wanna lay in my bed

Don't feel like picking up my phone

Just leave a message at the tone

Cuz today I don't feel like doing anything

nothing at all

Whoo ooo ooo whoo ooo ooh

whoo ooo ooo oo oo

Let it be - Beatles

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom. Let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And when the broken hearted people
Living in the world agree
There will be an answer, let it be
But though they may be parted
There is still a chance that they may see
There will be an answer. Let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And when the night is cloudy
There is still a light that shines on me
Shine on till tomorrow, let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

Make you feel my love - Bob Dylan

When the rain is blowing in your face

and the whole world is on your case

I would offer you a warm embrace

to make you feel my love

When evening shadows and the stars appear

and there's no one to dry your tears

I could hold you for a million years

to make you feel my love

I know you haven't made your mind up yet

but I would never do you wrong

I've known it from the moment that we met

no doubt in my mind where you belong

I'd go hungry, I'd go black and blue

I'd go crawling down the avenue

There's nothing that I wouldn't do

to make you feel my love

The storms are raging on the rollin' sea

And on the highway of regret

The winds of change are blowing wild and free

You ain't seen nothing like me yet

I could make you happy, make your

dreams come true

There's nothing that I wouldn't do

Go to the ends of the earth for you

To make you feel my love

There's nothing that I wouldn't do

To make you feel my love

Rolling Stones - You Can't Always Get What You Want

I saw her today at the reception
A glass of wine in her hand
I knew she would meet her connection
At her feet was a footloose man

No, you can't always get what you want
You can't always get what you want
You can't always get what you want
And if you try sometimes, you might find
You get what you need aaahhh yeah

And I went down to the demonstration
To get my fair share of abuse
Singing, "We're gonna vent our frustration
If we don't we're gonna blow a 50-amp fuse"

Sing it to me now
No, You can't always get what you want
You can't always get what you want
You can't always get what you want
And if you try sometimes, you just might find
You get what you need aaahh yeah

I went down to the Chelsea drugstore
To get your prescription filled
I was standing in line with Mr. Jimmy
And man, did he look pretty ill
We decided that we would have a soda
My favorite flavor, cherry red
I sung my song to Mr. Jimmy
Yeah, and he said one word to me,
and that was "dead", so I said to him

No You can't always get what you want
You can't always get what you want
You can't always get what you want
And if you try sometimes, you just might find
You get what you need aaahhh yeah

Annelies de Vries - Brigitte Kaandorp

Ik ben een meisje van 9 jaar

Ik draag altijd twee staarten in mijn haar

Ik ben een heel erg vrolijk kind

Ik lag al om een goeie wind

Valt m'n zusje zich soms een breuk

Lig ik onmiddellijk in een deuk

Helaas heb ik een groot gebrek

Dat is dat ik nogal eens lek

Ze noemen me Annelies van der Pies

Ik moet al piesen als ik nies

Vertel mij nooit een goeie grap

Want mijn sluitspier is te slap

Ook zijn we laatst een keer uit eten gegaan

Lakschoentjes en een nieuwe jurk had ik aan

De ober komt met jus en spruit ... jes

Vlak voor ons gaat hij onder uit ... dus

Wij zaten allen onder d'appelmoes

De karbonades zaten in mijn moeder's blouse

En bovendien, door mijn gebrek,

Zat in mijn jurkje nog een vlek

Ook zijn we laatst een keer op schoolreisje geweest

Dat was natuurlijk een enorm feest

De speeltuin "Kindervreugd" zat vol

Er was een wip en een schommel

En die bleef haken op de glijbaan aan een schroef

Peter kwam onder zo'n paardenhoef

Jan sloeg Erik een groot blauw oog

Mijn broekje bleef dus niet lang droog

Hallelujah - Leonard Cohen

I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor falls, the major lifts
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight over- threw her
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Baby I've been her before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
Love is not a victory march.
It's cold, and it's broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

John Denver

Take me home, country roads

Almost heaven, West Virginia

Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees

Younger than the mountains, growin' like a breeze

Country roads, take me home to the place I belong

West Virginia, mountain mama take me home, country roads

All my memories gather 'round her

Miner's lady, stranger to blue water

Dark and dusty, painted on the sky

Misty taste of moonshine, teardrop in my eye

Country roads, take me home to the place I belong

West Virginia, mountain mama take me home, country roads

I hear her voice in the mornin' hour, she calls me

The radio reminds me of my home far away

Drivin' down the road, I get a feelin'

That I should've been home yesterday, yesterday

Country roads, take me home to the place I belong

West Virginia, mountain mama take me home, country roads

Take me home, country roads. Take me home, country roads

Louis Armstrong

What a wonderful world

I see trees of green Red roses too
I see them bloom For me and you
And I think to myself What a wonderful world

I see skies of blue And clouds of white
The bright blessed day. The dark sacred night
And I think to myself What a wonderful world

The colors of the rainbow So pretty in the sky
Are also on the faces Of people going by.
I see friends shaking hands Saying how do you do
They're really saying I love you

I hear babies cry. I watch them grow
They'll learn much more Than I'll ever know
And I think to myself What a wonderful world
Yes, I think to myself What a wonderful world
Ooh, yes

Paul Simon

The sound of silence

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly is creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain,
Still remains. Within the sound of silence

In restless dreams I walked alone,
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night - And touched the sound of silence

And in the naked light I saw, Ten thousand people, maybe more
People talking without speaking, People hearing without listening
People writing songs that voices never share
And no one dare - Disturb the sound of silence

"Fools" said I, "You do not know, Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed In the wells of silence

And the people bowed and prayed To the neon God they made
And the sign flashed its warning In the words that it
was forming. And the sign said, "The words of the prophets
Are written on the subway walls, And tenement halls"
And whispered in the sounds of silence

Simon & Garfunkel - Cecilia

Celia, you're breaking my heart
You're shaking my confidence daily
Oh, Cecilia, I'm down on my knees
I'm begging you please to come home

Celia, you're breaking my heart
You're shaking my confidence daily
Oh, Cecilia, I'm down on my knees
I'm begging you please to come home, Come on home

Making love in the afternoon with Cecilia
Up in my bedroom (making love)
I got up to wash my face
When I come back to bed
Someone's taken my place

Celia, you're breaking my heart
You're shaking my confidence daily
Oh, Cecilia, I'm down on my knees
I'm begging you please to come home. Come on home

Whooooooooooooooooooooo
Jubilation,
She loves me again, I fall on the floor and I laughing,
Jubilation,
She loves me again, I fall on the floor and I'm laughing

Whooooooooooooooooooooo

The Beatles - Yesterday

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Leaving on a Jet Plane

John Denver

All my bags are packed I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin' It's early morn
The taxi's waitin' He's blowin' his horn
Already I'm so lonesome I could die

Chorus

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

Repeat Chorus

Now the time has come to leave you
One more time Let me kiss you
Then close your eyes I'll be on my way
Dream about the days to come
When I won't have to leave alone
About the times, I won't have to say

Repeat Chorus 2x

Charlie Chaplin - Smile

Smile, though your heart is aching
Smile, even though it's breaking
When there are clouds in the sky, You'll get by...
If you smile through your fear and sorrow
Smile and maybe tomorrow
You'll see the sun come shining through for you

Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you must keep on trying
Smile, what's the use of crying
You'll see the sun come shining through for you

Instrumentaal. Fluit of neurie een couplet

That's the time you must keep on trying
Smile, what's the use of crying
You'll find that life is still worthwhile

You'll find that life is still worthwhile If you just... (Smile)
